

External Committee 14th December 2020
ANPR – Kent Police Consultation

I have attached a letter from Kent Police requesting TTC feedback on Automatic Number Plate Recognition processes and storage.

Comments by councillors will be submitted by e-mail as requested along with the results of a vote on the general principle.

Proposals:

- 1. That councillors should raise any comments regarding the use of ANPR.**
- 2. That a vote should be taken to gauge opinion on the process.**
